RE: Peninsula PAC (ID # C00557850)

Dear Mr. Stoetzer:

My firm acts as campaign counsel for the above referenced committee and its treasurer. This letter is sent in response to a request for additional information regarding two contributions received by Peninsula PAC and reported on its August Monthly Report.

On its August Monthly Report, Peninsula PAC reported receipt of contributions from 15 Liberty Way, LLC and CWPM LLC, both with memos indicating that "permissible funds verification" was pending.

Although the committee sent letters to both contributors requesting additional information, the committee did not receive verification that these contributions were from a permissible source. In accordance with 11 CFR §103.3(b)(1) these contributions should have been refunded within 30 days of receipt.

The committee has now refunded these contributions (as requested, check copies are attached to this correspondence). These refunds will be reported on the committee's next campaign report.

Please do not hesitate to contact me if you have any further questions.

Very truly yours,

OLSON HAGEL & FISHBURN LLP
